Operational summary No. 00173. 64th IAK Headquarters Antung. 21 June 1952. 2400 hrs Map 1:500,000 1941.

I.

On 21 Jun 52, Corps fighter and air defense assets covered targets in the Antung, Tajsen and Nansi regions and the Singisyu-Ansyu and Sakusyu-Kidzjo communication lines.

1. During the day of 21 June 1952, air units carried out 44 combat sorties for a combined flight time of 34 hours 59 minutes. Enemy fighters were engaged in three air battles in flight and squadron strength. One F-86 was shot down and one other was probably shot down. 355 rounds were expended. 72 external fuel tanks were jettisoned. There were no friendly losses.

2. During the night of 21 June 1952, sixteen combat sorties were carried out for a combined flight time of 20 hours 18 minutes. The enemy was not engaged.

3. Anti-aircraft artillery units covering targets in the Antung region fired upon a small group of F-86 fighters during the day on 21 June. Rounds expended: 85 mm - 116 rounds, 37 mm - 32 rounds. There were no friendly or enemy losses.

V.

In addition to situation report No. 00168 for 16 June 1952, this is to report that:

Senior Lieutenant Volodarskij of the 147th IAP, 133rd IAD shot down one B-29 in an air battle during the night of 15-16 June. The enemy plane fell into the sea 10-15 kilometers west of the village of San-San-Buk in the Khangen (Kaisen) region. ~~Korean authorities can confirm this.~~ General Dzhon-Nam-Lu, commander of the Korean division personally witnessed the downing of the plane. Additional information from other sources of the downed B-29 is not included.

VI.

An auxiliary night command post for the corps is being organized in the Khitkhen region. By 25 June 1952, Chinese searchlights will be concentrated in this region. The mobile group's mission will be to strike B-29s operating in the Kha-sen region.
